Don't forget to stop by the Keizer Civic Center (located at 930 Chemawa Rd. NE, Keizer, next door to the old school house building where KAA is housed) during the month of March to see the award winners from our February "McNary High School Show". It was a great show and the award winners are part of what was submitted. The Keizer Art Association gallery wall is at the north entrance to the Keizer Civic Center and just inside the double doors. You won't be disappointed! This show is brought to you by Terry Dempsey, KAA board member.

NEW GALLERY HOURS and WE NEED YOU!!

WE need YOU! Have you thought about hosting in the Keizer Art Association (KAA) Gallery? Since the extended closure of the Keizer Cultural Center due to the Covid-19 Pandemic, we have had several of our regular hosts leave our fold due to one reason or another. The KAA Gallery and Classroom are open and we need Gallery Hosts.

- Hosts need to be a KAA member
- Gallery hours are Monday & Tuesday, 3 – 7 pm, Wednesday, Thursday and Friday, 1 – 5 pm, Saturday, 11 am – 3 pm
- Currently our need is for hosts for the Saturday shift
- New hosts will need to shadow an experienced host at least twice before hosting alone in the gallery
- Artist hosts are encouraged to bring their art materials or art work in progress to work on during their shift. Visitors like to see artists at work and it is four hours of almost uninterrupted work time

Does this work for YOU? Contact Karen Saleen at saleenirsgarden@comcast.net or by phone at 503-999-1020.

HAVE YOU FORMED YOUR VIRTUAL PAGE ON KAA WEBSITE? Do you know you can sell your art from this site?

It is simple and fun: There is now a page on www.keizerarts.com called Member Gallery. It is a place on which each member may place photos of our art for others to admire or buy! If you would like your own spot to show your art online, simply send it to Bob Curtis at bcurtis97304@gmail.com. Include a note so that it is put into the right spot on our beautiful (thanks to Bob) website. This is a wonderful chance for us to view others' artwork. And an opportunity for you to have your family and friends view your art. We will also begin selling the art of those of you who would like to do that. Visiting the wonderful art online is such fun. Enjoy!

GALLERY K

Our gift shop, Gallery K, is open again with many wonderful pieces of art. For a sampling of items in Gallery K, go to our website (keizerarts.com). Better yet, visit in person and see our newly painted gallery and classroom. We have a new carpet in the gallery and new vinyl floor in the classroom, thanks to the Heritage Foundation! We also have new really neat desks in the classroom. Visitors are most welcome!

UPCOMING KAA CLASSES

Supply Lists for All Classes are on the KAA Website, keizerarts.com

Photography for Artists

This two-day workshop is designed just for visual artists working in any medium who want to up their photography skills. Or who want to take better pictures to use as reference photos for your drawings and paintings? Or do you wish to be able to capture your finished artwork for submission to shows or to create prints? Or maybe you have a new camera that you want to learn to use better? This class will cover these topics as well as techniques you can use to capture the best images possible with whatever camera you happen to have—even a phone camera! No technical experience needed.

Bring to each class:

A digital camera or phone camera
Your camera's user manual, if you have one
Notebook and pencil/pen to take notes

Instructor: Laura Singer, Experience Level: Beginner, Saturdays 1 - 3 pm, March 19 and 26, \$20 for both sessions

COLORED PENCIL CLASSES

Colored Pencil Classes are taught by various talented artists. Realism, abstraction, whimsy, landscape, portraiture, and wildlife are all favorite subjects of colored pencil students. In these classes you will learn color theory, layering, strokes, use of paper and tools, dry pencil, watercolor pencil and much more. These classes show the student how much fun it is to learn new techniques and stretch your expertise. All levels of pencil pushers welcome. Please sign up for class at least one week ahead of time so instructors can prepare accordingly.

SPRING TERM, April 4 – May 23, 9 am to 12 noon, 8 weeks, \$80

DRAWING I and II

These fun workshops are the perfect fit for anyone who is new to drawing, artists who struggle to freehand their designs, or advanced artists who want to improve their technique. Laura will walk through examples, give demonstrations, and show you how to start and complete a drawing project of your own. Learn core observational drawing techniques to produce accurate representations of your chosen subject. Students will have the option of choosing a beginning (easier) subject or a more advanced subject to practice techniques at their level.

The class will cover techniques in line and proportion; light, form, and shading; composition and perspective; and texture. You'll learn how to use your drawing materials, how to choose and light your subject, and most importantly, how to observe and see like an artist. Each workshop provides lots of time to work on a project with one-on-one feedback from the instructor.

Bring your own materials (see materials list on our website, keizerarts.com), or purchase a kit that has everything you need for all four sessions.

Experience Level: All (Beginners and advanced students welcome), Wednesdays, 2 - 5 pm, March 9, 16, 23, & 30, \$60 for all 4 sessions, \$20 kit fee (optional) paid directly to instructor.

Things We Hang Onto Beginner's Poetry Workshop

Have you ever wanted to try writing free verse poetry but didn't know where to start? Or do you enjoy journal writing or writing short memoir pieces and want to try something new? This workshop is accessible to anyone with the willingness to try and the curiosity to explore their mind in a completely supportive environment. In the first session we will read poems together that demonstrate common literary devices used in poetry like imagery, repetition, line breaks, alliteration, and assonance. In the second session, bring a meaningful object, or photos of it, to the workshop for your own reference and you will explore writing about it and about yourself. In the optional third session you will be able to receive feedback and gentle constructive criticism with the group.
