KAA JANUARY “FINS, FEATHERS AND FUR” VIRTUAL SHOW

Janice Christman, an award-winning photographer, judged the January KAA virtual show, Fins, Feathers and Fur. She majored in photography in college, but until she retired from her career, she did not think that her passion for capturing images would ever be utilized. Since retirement she has her camera with her most days. Janice says, “photography for me is more than just taking a picture with a camera. It is an expression of the subject matter that is frozen in time.” She is a member of KAA. Thanks, Janice!

“TP Roll Trolls” presented by Karen Saleen

It appears that the Keizer Art Association’s TP Roll Troll Online Class was a success! We had 11 participants and only a few technical issues, most of which were resolved quickly. With the use of two cameras we could see each other and interact or watch the instructor working on the troll in question. The students learned to clean off and prepare the surface of the cardboard tube, sketch in the facial features of the troll, color in the face and while we didn’t all finish, some students embellished their trolls with fancy headdresses, wigs or long eyelashes. All were creative and such fun to make. Even if some students felt unsure of the new surface, it appeared that everyone had fun! **Look forward to more KAA online classes!**

COMING KAA CLASSES, INSTRUCTORS NEEDED

The KAA board has decided that we will most likely be closed until at least March, 2021.

In January, we are planning to begin holding virtual classes. We are contacting instructors to teach these classes. The instructors will teach from our classroom which has all of the needed equipment. We can also have up to 5 students in the classroom during the class time, with masks and six feet apart.

If you are interested in teaching a class from KAA’s classroom, please email Carol Harris, education chair, at mowog@aol.com. She will be glad to discuss your ideas with you.

You can’t use up creativity. The more you use,
the more you have.

EXCITING!! SHOW YOUR ART FOR 60 DAYS IN KEIZER!

The Keizer Community Gallery inside of the Keizer Community Center is a large and beautiful space provided as a rotating gallery space. To show your work at no charge, contact: Community Development Director, Nate Brown, 503-390-3700. Any artist or artist association can display their original work in this space at no charge. Display terms are for 60 days and must be scheduled in advance to allow for review and approval of work to be displayed. The gallery includes two separate spaces: The North gallery space can accommodate approximately 40 pieces (size dependent). The East gallery can display approximately 20 pieces (size dependent).

HAVE YOU FORMED YOUR VIRTUAL PAGE ON KAA WEBSITE? Do you know you can sell your art from this page?

It is simple and fun: There is now a page on www.keizerarts.com called Member Gallery. It is a place on which each of us may place photos of our art for others to admire or buy! If you would like your own spot to show your art online, simply send it to Bob Curtis at bcurtis97304@gmail.com. Include a note so that it is put into the right spot on our beautiful (thanks to Bob) website. This is a wonderful chance for us to view each others' artwork. And an opportunity for you to have your family and friends view your art. We will also begin selling the art of those of you who would like to do that. Perusing the wonderful art is such fun. Enjoy!

**Sorry the gallery is closed due to Covid19. Please visit our website!
