“ It Was A Good One --- First Monday Meetup February

The second First Monday Meetup on February 2nd was a great success, Approximately 18 people attended and the treats were outstanding. Karen Saleen made introductory remarks and Carol Harris reviewed upcoming KAA classes.

Bob Curtis showed his many different kinds of carving including realistic, caricature, chip and other carving types. He talked about tools, wood, and the process of carving a whimsical house. Thanks, Bob!

Show and Tell followed Bob's presentation. The following folks showed and talked about their art:

Terry Witter showed two wonderful watercolors he had just completed, one of the seashore and one of a beautiful red cardinal on a branch.

Mona Prater displayed and talked about a wonderful layered glass dish that required two firings to complete.

Carol Harris brought a beautiful colored pencil drawing of one of her dogs. She told us a wonderful story about how her family acquired the dog, one of several needing a home.

Leland Gilson shared several wonderful images created with natural clay powders. He explained the history of such drawings and the techniques he used to create his outstanding pieces.

Karen Saleen brought in two great colored pencil pieces, one of flowers on drafting film and another called "Past, Present and Future", which was nationally recognized and published.

The Meetup was a lot of fun, educational. and everyone attending had a great time. We learned a lot about fellow artists and their creative process.

The next Meetup is scheduled for March 4. Hope to see you there. And don't forget to bring a piece of art you are working on or have completed to share.

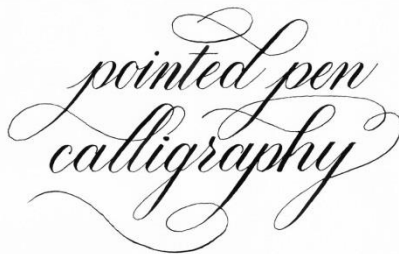

KEIZER ART ASSOCIATION
PRESENTS CLASSES AND WORKSHOP
FEBRUARY, 2019

February 1, 8, 15, 22 – FRIDAY OPEN STUDIO. This “no host” studio is for artists of all mediums. Spend the afternoon in our brightly lit classroom with the benefit of good company and a pleasant place to work. Make a cup of coffee or tea and enjoy our extensive Lending Library and the Enid Joy Mount Gallery for inspiration. Open 1:00-4:00 pm every Friday. Free to members. \$3/day or \$10/month for non-members. No registration required.!

January 7 - February 25 – COLORED PENCIL CLASSES 8 weeks/term \$70 Mondays, 9:00-12:00 Colored Pencil Classes are taught by talented artists. Realism, abstraction, whimsy, landscape, portraiture, and wildlife are all favorite subjects of colored pencil students. In these classes you will learn color theory, layering, strokes, use of paper and tools, dry pencil, watercolor pencil and much more. These classes show the student how much fun it is to learn new techniques and stretch your expertise. All levels of pencil pushers welcome. Please sign up for class at least one week ahead of time. 8 weeks/\$70, Mondays, 9 am to 12 noon.

January 8 – February 26 – CALLIGRAPHY taught by PENNY WHITE, There are many different types of Calligraphy and Penny has taught several of them. Starting Fall term she is going to focus exclusively on POINTED PEN CALLIGRAPHY. You create Pointed Pen Calligraphy with pointy nibs and those nibs result in letters that have elegant, subtle stroke contrast. Supplies: Penny says: “There are many Nibs one can use and one just has to find the best one for each particular hand. I will bring along a selection but the following are all good: Nikko G; Gillot 303; Brause 361; or Hunt 56. Penholders: a regular one works fine, but an oblique holder is my preference - this is the holder with a 'sidecar' which is very helpful if you are a fan of very sloping writing. Ink: walnut ink works well; if you are using an oblique holder you will need a small container to hold the ink as the 'sidecar' won't fit into most ink bottles. Paper: Layout paper works very well - you can see through it to trace the letters initially which is very helpful.” 8 weeks/\$50 Tuesdays 1:30 – 3:30 pm.

February 6, 13, 29, 27 – STEVE KLEIER. Learn to express in watercolor. Each lesson begins with drawing to work out composition and value. Wednesdays: 10a.m. - 1p.m.*

February 7 and 21-WATERCOLOR PAINTING with PEN and INK taught by ANGELA WRAHTZ, Award Winning Artist. Learn how to manipulate this flexible and gorgeous medium while creating a lovely painting that takes advantage of the properties which are unique to watercolor. Then you have the option to embellish your work with traditional or more contemporary approaches to pen and ink. Projects are provided by the instructor, and you will learn beginning to advanced techniques for watercolor and pen through step-by-step instruction as well as many demonstrations. Angie brings lots of handouts to support instruction as well. While class begins with helpful instruction, the bulk of class time is devoted to the students actually putting into practice the skills they are learning and getting individual help when needed. All levels welcome. Lessons are designed with your success and joy in the process in mind. Instructor brings professional grade paper and paints for use in class. See supplies list for additional items you bring. \$25/class paid to KAA, \$5 materials fee/class paid to instructor at beginning of each class.*
