**Do you LOVE Keizer Art Association?** Is this organization important to you and part of your life? Then please consider serving for ONE year on the Board of Directors. We have three openings.

This is a volunteer organization. Without volunteers staffing the Board and contributing by hosting the gallery we cannot continue.

A board position is not difficult. It is a 4-6 hour commitment each month. We are ALL volunteers, we all work together for local art and artists. If you would like to talk more about your willingness to serve please email Lore Christopher, president, at [chrisfam1@msn.com](mailto:chrisfam1@msn.com) or call 503-910-4439.

**KAA BOARD MEETING**

Our next KAA board meeting will be on Monday, March 9th at 1:30 pm. We would love for you to join us. We would like to hear your questions and/or suggestions about how to make KAA even better!

If you have specific issues to talk about, just let me know in advance and I'll add you to the agenda!

**FEBRUARY FIRST MONDAY MEETUP**

Our February First Monday Meet-Up was a resounding success! After welcoming our eager audience, we started the evening with introductions of the Keizer Art Association (KAA) board members.

We moved on to our featured artist, Kathy Decker, who gave us a demonstration and presentation on the use of alcohol inks in artwork. She and her granddaughter, Jami, did a great job showing us many brightly colored examples of their work. Kathy introduced us to a newer, less vaporous form of the inks. Their examples were wonderful and it was amazing how the inks flow and interact with each other on the surface of the substrate used. There were lots of questions from the audience, especially once they were able to see the samples up close.

After the presentation, and during the break, participants mingled in the gallery to see the McNary Student Art Show, grabbed a treat and chatted with each other. We followed up with Carol Harris informing us of the upcoming and ongoing classes and Bob Curtis talked to us about the March KAA show by the Capitol Wood Carvers, "Art Found in Wood". We gave out door prizes and ended the evening with our Show & Tell segment, which featured art by Lisa Ray, Leland Gilson, Linda Flicker and Karen Saleen.

## !! EXCITING KAA ANNOUNCEMENT!!

KAA has been invited to have a dedicated, permanent art wall in the North Gallery of the Keizer Community Center! This wall is the best location in the building! Over 100,000 people visit the Community center annually for meetings and events. Our KAA artists will enjoy this exposure for their art.

The KAA Board has determined that the award winners of the monthly art show will be the featured art selected for an additional month of public display following the KAA art show. Art will be transported to the Keizer Community Center by a KAA member and the displayed pieces will be available for pick-up at KAA following the extended month long display at the Keizer Civic Center. Keizer Art Association member, Terry Dempsey, has agreed to coordinate this new and exciting program. In this way we can give our featured and award winning artists more exposure to the public at large. This program will begin March 1 with the McNary student art award winners being displayed. Thank you, Terry!
